

NCAA Water Polo

Welcome to the 2019-2020 Water Polo Season!

Wednesday, August 14, 2019

Welcome to the 2019-2020 Water Polo season! My name is Amber Drury and I am excited to be joining you as the new National Coordinator of Water Polo Officials.

I am looking forward to working with referees, coaches and the National Evaluator Group (NEG) as we continue in the direction set forth last season of "Applying the Rules as Written." The points of emphasis remain the same and the videos and training materials can be accessed on the Advantage website. Please take a moment to **review** so you are ready for the Rules Test and the start of the men's season. The **test** will be available on Wednesday, August 14 and must be completed and passed BEFORE you whistle any NCAA game.

Any questions or concerns, I can be reached via email at **WPNCOAmber@gmail.com** or via cell at 510.734.3759. Please check the Advantage website for updates throughout the season and please use it for any reporting you may need to do.

Have a great season!

Amber Drury
